**Niagara River Greenway Commission Determines Consistency**

The Niagara River Greenway Commission is pleased to announce the vote on project consistency as determined by the Commission for the tenth round of projects submitted to the Greenway Commission.

Projects were submitted on May 19, 2009 and the votes were taken today during the regularly scheduled meeting of the Commission. The subjective evaluation of projects was based on the principals, goals and criteria that define the Niagara River Greenway Plan. The following project sponsors and respective projects were determined consistent:

- New York State Parks-Niagara "Design Build" Gorge Trail Crew Proposal
- Re-Tree WNY dba Keep Western New York Beautiful-The 100,000 Tree Campaign

Now that the Niagara River Greenway Commission has issued a finding of consistency with the Niagara River Greenway Plan, project sponsors are responsible funding arrangements. Funding requests can be made through conventional grant and endowment sources as well as the various greenway standing committees.

The eleventh round of project determinations will be made on September 15, 2009. Those projects will be on the web-site Tuesday, August 4, 2009. Public comment on those projects will be accepted until August 31, 2009 and may be submitted at the website, [www.niagaragreenway.org](http://www.niagaragreenway.org) or by mail to Niagara River Greenway, 2136 West Oakfield Road, Grand Island, NY 14072. All projects and submission dates for future determinations are also available on the website.
