## **Niagara River Greenway Commission Determines Consistency**

The Niagara River Greenway Commission is pleased to announce the vote on project consistency as determined by the Commission for the fifteenth round of projects submitted to the Greenway Commission.

Projects were submitted on May 18, 2010 and the votes were taken today during the regularly scheduled meeting of the Commission. The subjective evaluation of projects was based on the principals, goals and criteria that define the Niagara River Greenway Plan. The following project sponsors and respective projects were determined consistent:

- Town of Lewiston-Plateau Dog Park & Nature Preserve-Tabled at meeting of May 18, 2010
- Artpark & Company/Town of Lewiston-Artpark's Summer Programs Support
- Town of Porter-Porter-on-the-Lake Park Improvement
- Artpark & Company-Artpark Capital Improvement Project
- New York State Parks-Fort Niagara State Park Electrical Distribution System Upgrades
- Riviera Theatre & Organ Preservation Co.-Riviera Theatre Expansion Project

Now that the Niagara River Greenway Commission has issued a finding of consistency with the Niagara River Greenway Plan, project sponsors are responsible for funding arrangements. Funding requests can be made through conventional grant and endowment sources as well as the various greenway standing committees.

The seventeenth round of project determinations will be made on September 21, 2010. Those projects will be on the web-site Tuesday, July 27, 2010. Public comment on those projects will be accepted until August 31, 2010 and may be submitted at the website, [www.niagaragreenway.org](http://www.niagaragreenway.org) or by mail to Niagara River Greenway, 2136 West Oakfield Road, Grand Island, NY 14072. All projects and submission dates for future determinations are also available on the website.

To review the approved Niagara River Greenway Plan and GEIS or to learn more information about the Commission log onto [www.niagaragreenway.org](http://www.niagaragreenway.org). The Niagara River Greenway Commission is a public benefit corporation established by Chapter 460 of the laws of 2004, and charged with the planning and development of a greenway of interconnected parks, river access points and waterfront trails along the Niagara River from Lake Erie to Lake Ontario at the site of the historic Fort Niagara.
