**Niagara River Greenway Commission Determines Consistency**

The Niagara River Greenway Commission is pleased to announce the vote on project consistency as determined by the Commission for the eighth round of projects submitted to the Greenway Commission.

Projects were submitted on January 20, 2009 and the votes were taken today during the regularly scheduled meeting of the Commission. The subjective evaluation of projects was based on the principals, goals and criteria that define the Niagara River Greenway Plan. The following project sponsors and respective projects were determined consistent:

**Valley Community Association, Inc.-Buffalo River Fest Park**  
**Village of Youngstown-Water/Ferry Streets Waterfront Access Project**

These determinations will now be sent to the appropriate standing committees where funding will be allocated.

The ninth round of project determinations will be made on May 19, 2009. Those projects will be on the web-site Tuesday, March 24, 2009. Public comment on those projects will be accepted until April 30, 2009 and may be submitted at the website, [www.niagaragreenway.org](http://www.niagaragreenway.org) or by mail to Niagara River Greenway, 2136 West Oakfield Road, Grand Island, NY 14072. All projects and submission dates for future determinations are also available on the website.

To review the approved Niagara River Greenway Plan and GEIS or to learn more information about the Commission log onto [www.niagaragreenway.org](http://www.niagaragreenway.org). The Niagara River Greenway Commission is a public benefit corporation established by Chapter 460 of the laws of 2004, and charged with the planning and development of a greenway of interconnected parks, river access points and waterfront trails along the Niagara River from Lake Erie to Lake Ontario at the site of the historic Fort Niagara.
